**~~ NOTES ~~*****Available only at Wisconsin Centers.***

To apply for a social work training certificate, the State of Wisconsin requires students to have grades of C or above in all social work equivalency courses (PSY/SOC 383, PSY 391, PSY 392, PSY 393, and SOC 384) and at least a 2.5 GPA in the major. Students must meet specific standards and demonstrate identified competencies through an assessment process before they will be approved for an internship. This degree plan has been approved by the Wisconsin Department of Safety and Professional Services (DSPS). The social work equivalency courses may also be incorporated into UIU's Psychology or Criminal Justice majors per DSPS rules. Completion of the major does not guarantee social work certification. For clarification of these and other state requirements, please contact the DSPS.

**LEGEND:**

- # Transfer grades lower than a C- will not be accepted.
- ( ) signifies credit listed within may change depending on course selection within UIU major.
- \* Must be completed at UIU or another four-year institution.
- ♦ Special circumstance exists for the electives depending upon emphasis selected.
- @ indicates both courses are required to meet this course, else if only part of this combination is taken, all courses would be considered free electives.
- ▲ notates courses that are upper-division that have an option of taking at GTC, however, would require an upper-division course in place of this to meet degree requirement.
- • Course has a prerequisite.
- ♦ notates courses that are upper-division and if taken, would reduce total upper-division electives required (3 credits per course) unless the course is transferred in (transfer work does not contribute to the upper-division requirement).
- **Bolded** text indicates UIU recommendations.
- *Grayed out text* indicates courses fulfilled through transfer. Strikethrough indicates specific course if within grouping.

A minimum of 120 semester credits is required for a baccalaureate degree; up to 78 lower-division college semester credits from Gateway Technical College. A minimum of 30 credits must be upper-division credits for a UIU baccalaureate degree; lower-division transfer work from Gateway Technical College does not contribute to the upper-division credit requirement at UIU.

*This program transfer guide is based on the October 2022 course-to-course articulation (UIU 2022-2023 catalog & GTC 2022-2023 catalog).*
